

TRAINEE DESIGN ENGINEER

Salary: £24,000 - £28,000 per annum (dependent on experience)

Location: Head office: Chesham, Buckinghamshire

Company: SHJ Medical Gas Specialists is a leading supplier of medical gas pipelines, solutions and services, and a market leader in remote monitoring and energy saving technologies.

We are committed to the highest standards of care and support for our customers and invest heavily in R&D to remain at the forefront of our industry.

Job Description: We are seeking a Trainee Design Engineer to join our expanding Installation team. This is a client facing role that would involve conducting site surveys and creating Medical Gas Proposed Drawings / As-Fitted Drawings/ Schematics & Isometrics.

Duties & Responsibilities:

- Conducting Site Surveys
- Creating Medical Gas Proposed Drawings / As-Fitted Drawings / Schematics & Isometrics via Auto CAD
- Presenting technical plans and detailed schematics of products to customers
- Providing detailed analytics to show customers why a product will help their business
- Answering customer queries on technical issues
- Maintaining an up-to-date knowledge of the Medical Gas Industry and the products or services that SHJ provides

Experience Required:

- For this role, the successful candidate will already have experience within a similar role and have the ability to communicate technical or industry-specific information in an easy-to-understand format (full specific product and service training will be given).
- Strong IT skills including Auto CAD
- A positive can-do attitude and problem-solving mindset
- Self-motivated, disciplined and methodical in approach
- Ability to build positive relationships with customers
- A clean driving licence

To apply for this position, please email Shaukat.ali@shj.co.uk with your CV and a cover letter explaining why you think you would be suitable for this role.

SHJ is committed to creating a diverse environment and is proud to be an equal opportunity employer. We strive to create an inclusive workplace where everyone can thrive, regardless of their background.
