

Engineering Estimator

Location: Chesham, Buckinghamshire

Salary / Rate: £30,000 - £40,000 / annum plus Pension

SHJ is a leading supplier of medical and laboratory gas pipelines, solutions, and services, and a market leader in remote monitoring and energy-saving technologies. We are committed to delivering the highest standards of care and support to our customers and continue to invest heavily in R&D to stay at the forefront of our industry.

We are now looking for a **driven and detail-oriented Engineering Estimator** to join our growing Installation team.

Key Responsibilities:

- Prepare and submit tenders and PQQs
- Produce accurate cost estimates from engineering reports, proposals, drawings, and specifications
- Liaise with customers, suppliers, and internal engineering teams
- Determine labour, materials, and time requirements for each project
- Enter and maintain cost data in our Protean system
- Monitor relevant tender websites and pursue opportunities
- Assist with updating service part schedules for plant
- Stay up to date with industry standards and attend technical workshops

Qualifications: Degree in a relevant field or equivalent industry experience

Skills and Experience:

- Strong knowledge of standard contracts in Building and Civil Engineering (NHS/Healthcare experience an advantage)
- Familiarity with standard forms of measurement
- Proficient in Microsoft Word and Excel
- Excellent written and verbal communication skills

Personal Qualities:

- Highly self-motivated with strong commercial awareness
- Able to manage multiple projects simultaneously
- Confident working independently and as part of a close-knit team
- Strong interpersonal and negotiation skills
- Flexible and adaptable approach to tasks

Core Competencies:

- Leadership and initiative
- Commercially astute
- Organised and proactive
- Customer-focused
- Relationship builder

SHJ is committed to creating a diverse and inclusive workplace and is proud to be an equal opportunity employer. We welcome applications from all backgrounds and experiences.

To apply for this position, please email **ying.scopes@shj.co.uk** with your CV and a cover letter explaining why you think you would be suitable for this role.
